

Erratum file 1

Erratum to “Antibody-like phosphorylation sites in focus of statistically based bilingual approach” (Computational Molecular Bioscience 6, 1-22)

Unfortunately, the picture part of Figure 1 (but not other parts of text) still keeps old variant of references, i.e. the state of the text references before editorial changes. Nevertheless, the corrected form of this picture can be found (together with more detailed version of legend) in the Figure 1A composing (co-submitted) **supplementary file SF3 present also in this web page** (i.e. www.papersatellitesjk.com).
